Jimmy Proof Single Cylinder Deadlock

TOUGH GUARD

This lock can be installed for left- or right-handed operation. Its solid construction provides added security and peace of mind, and is the main reason that it continues to be so popular. The traditional jimmy proof lock has stood the test of time.

- Solid construction
- Provides added security to exterior and interior doors

HEAVY DUTY ORNAMENTAL GATE HARDWARE

TOOLWAY

Gate Latch 1-21/32" x 1-3/8"

- Use for gates and doors
- Heavy gauge steel for long life
- Self-closing latch is easily released from either side
- Padlock eye for extra security
- For flush application on single acting gates
- Rust resistant
- Steel/zinc plated

103065

TOOLWAY

- For patio and garden gates
- Ornamental gate spring closes automatically
- For left or right hand opening
- Adjustable torque
- For replacement or new installation
- Steel/black coated finish

103066

TOOLWAY

- Use for gates and doors
- Heavy gauge steel for long life
- Self-closing latch is easily released from either side
- Padlock eye for extra security
- For flush application on single acting gates
- Rust resistant
- Steel/black coated finish

103067

TOOLWAY

11" Heavy Duty Gate Pull

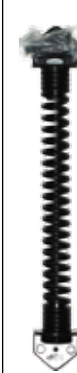

- Use for gates and doors
- Heavy gauge steel for long life
- Self-closing latch is easily released from either side
- Padlock eye for extra security
- For flush application on single acting gates
- Rust resistant
- Steel/zinc plated

103068

TOOLWAY

- For patio and garden gates
- Ornamental gate spring closes automatically
- For left or right hand opening
- Adjustable torque
- For replacement or new installation
- Steel/black coated finish

103069

TOOLWAY

- Durable Black Finish
- Heavy Duty

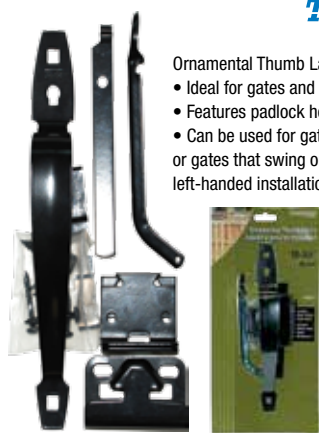

103070, 103071

TOOLWAY

Ornamental Thumb Latch 10-3/8"

- Ideal for gates and doors.
- Features padlock hole for added security.
- Can be used for gates that swing in, or gates that swing out and for right-and left-handed installations.

103072

TOOLWAY

Ornamental Thumb Latch 8-7/8"

- Ideal for gates and doors.
- Features padlock hole for added security.
- Can be used for gates that swing in, or gates that swing out and for right-and left-handed installations.

103073

TOOLWAY

11" Thumb Latch

- Use on single acting gates
- Unique latch lock is superior to ordinary latches
- Positive slide bolt action locks gate or door from the inside and allows padlock use
- Extra heavy duty construction for long, maintenance free operation
- Reversible for right or left hand use

HEAVY DUTY GATE HINGES

- For patio and garden gates & shed doors
- Heavy gauge steel for long life
- Padlock hole for extra security
- Steel/Black.

TOOLWAY

103075

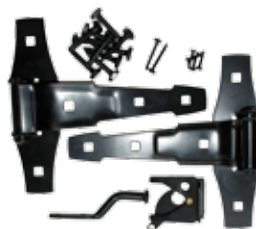

8" Gate Set in box

- For patio, garden gates and shed doors
- Heavy gauge steel for long life
- Padlock hole for extra security
- Patented bearing design eliminates metal to metal contact for smooth, quiet operation

TOOLWAY

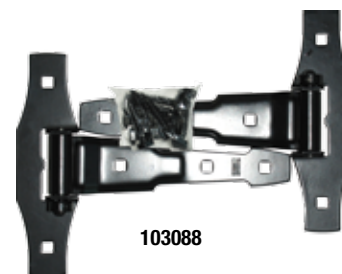

103076

T-Hinge 8" Spring HD

- For patio, garden gates and shed doors
- Heavy gauge steel for long life
- Padlock hole for extra security
- Patented bearing design eliminates metal to metal contact for smooth, quiet operation

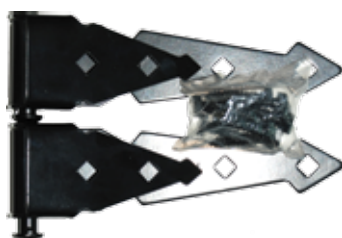

TOOLWAY

103088

TOOLWAY

- Durable Black Finish
- Designed for easy surface mounting.
- Especially designed to allow all mounting screws or bolts to penetrate the horizontal braces of both the gate and fence.
- Strap hinge style extends support on heavy gates and doors.

103080

TOOLWAY

- Durable Steel/black coated finish
- For use on gates or shed doors
- Heavy duty construction minimizes gate sag and provides long, maintenance-free operation.
- Reversible pin for right or left hand applications

103081, 103082, 103083

TOOLWAY

- Rust-resistant Used for interior or exterior applications

103084, 103085, 103086, 103087

TOOLWAY

- For use on gates or shed doors
- The choice of professional gate installers
- Heavy duty construction minimizes gate sag and provides long, maintenance-free operation.
