

Sellstrom 390 Adjustable Face Shield

Ordering Information

Product No.: **S39110**

Window: Clear

Color: Blue

Adjustment: Adjustable Headgear

Weight: .60 lbs.

Technical Specifications

Dimensions—10"H x 9"W x 4"L

Country of Origin—Made in the U.S.A.

Materials

Crown: High-Impact Resistant ABS Plastic

Window: High-Impact Resistant Acetate

Headgear: Nylon

Sweatband: Perforated Vinyl

Standard Compliance

Meets ANSI Z87+ High-Impact and
CSA certified to CSA Z94.3

Description and Performance

Sellstrom's 380/390 face shield has been a leading face shield in the market for decades due to its light weight and high-strength design. The shield curves naturally to fit facial contours, ensuring reliable protection from splash, particles, and flying debris. Interchangeable parts extend the life of the face shield and lower cost of ownership.

Includes bracket for mounting on wall, 8 oz bottle bacteriostatic additive and drain hose.

Dimensions:

21"H x 22"W

Weight:

13 lbs. empty

146 lbs. full

Country of Origin:

Made in the U.S.A

Materials

FDA grade high-density green polyethylene 16-gallon (60.6 L) tank.

Standard Compliance

Meets ANSI Z358.1 standard for Emergency Eyewash and Shower Equipment with

Technical Specifications

Flow Rate:

0.7 gallons (2.6 L) per minute over 15 minutes

Description and Performance:

Sellstroms' Gravit-Eye™ is a self-contained 16-gallon gravity flow eye wash that delivers water through dual spray heads in case of an emergency. Water flow is simply activated by pulling down the yellow manifold. The tank comes complete with a wide-fill opening and threaded cap for quick inspection, cleaning and filling. The Gravit-Eye™ is ideal for use where a continuous supply of water is not available or in re-mote and low traffic areas where protective measures are still needed. Emergency eyewash stations shall be in unobstructed and accessible locations that require no more than 10 seconds for the injured person to reach.
